MERC/Tech/Study/

24 September 2020

To,
The Director (Operations)
Maharashtra State Electricity Distribution Co. Ltd.,
Plot No. G-9, Prakashgad, 5th Floor,
Bandra (East), Mumbai - 400051

Subject: IIT Bombay's request to initiate pilot project on restructuring LT network

Sir,

This is with reference to the letter received by the Commission from Prof. Dr. Priya Jadhav from IIT Bombay relating to their study on restructuring of LT network on Agriculture Feeder.

This study is part of MOU between IIT Bombay and the Project on Climate Resilient Agriculture (PoCRA), Dept. of Agriculture, Govt. of Maharashtra.

As part of the study, IIT Mumbai has conducted the study and analysis in one village i.e. Umbarda Bazaar, Karanja, Washim (Report attached), and studies at following locations are in progress:

- Khanapur, Osmanabad, Osmanabad
- Yehala, Pusad, Yavatmal
- Sonna, Parbhani, Parbhani

Dr. Priya Jadhav is undertaking the above studies in the MSEDCL area. Letter of Dr. Priya Jadhav which is self-explanatory and the above said Report is attached herewith for your ready reference.

The Commission is aware of the CAPEX proposals for Agriculture networks. The Commission feels that the study by IIT Mumbai could be beneficial to MSEDCL also for developing more cost-efficient and technically robust infrastructure.

In this context, I am directed to inform you to explore the possibility of jointly working with Dr. Priya Jadhav so as to audit the design of the developed distribution infrastructure in rural areas while augmenting its quality and reach marginal cost.

(Dr. Rajendra Ambekar)
Executive Director
